Osvaldo is one of the most renowned Argentine tango DJs in the world. For years he was the musical coordinator and DJ at the historic milonga El Beso, one of the most prestigious milongas in Buenos Aires. Osvaldo has listened to tango from the age of five. For ten consecutive years he was the official DJ of the Tango Festival organized by the Government of the City of Buenos Aires. It is his tandas with which competitors use to vie for the Metropolitan Championship and World Championship of Tango in Buenos Aires. It is Osvaldo's belief that a good DJ should be a good dancer, and a frequent visitor to milongas. Osvaldo has also devoted time to teaching. He has held several seminars on the music of tango dancers and DJs, and he has trained many DJs who are in high demand in the milongas of Buenos Aires.
